You should know that: The purpose of this blog is to provide education, commentary and technical analysis for those who want to expand their knowledge of the FX markets and the business of trading. This is not an alert or trade signal service and not for investment advice. **You and only you** are responsible for the trades or investment decisions you make. **FX Risk Disclosure:** Trading foreign exchange on margin carries a high level of risk, and may not be suitable for all investors. The high degree of leverage can work against you as well as for you. Before deciding to trade foreign exchange you should carefully consider your investment objectives, level of experience, and risk appetite. The possibility exists that you could sustain a loss of some or all of your initial investment and therefore you should not invest money that you cannot afford to lose. You should be aware of all the risks associated with foreign exchange trading, and seek advice from an independent financial advisor if you have any doubts. **Details:** The information contained on this site is strictly for informational and discussion purposes only.
